VIP MEET-AND-GREET

VIP Meet & Greet: For Silver Sponsors & Above!

One of the most exclusive perks of Silver Sponsorship and above is access to our VIP Meet & Greet – an intimate, pre-luncheon experience that puts you face-to-face with some of the most recognizable names in sports, entertainment, and public life.

While hundreds of attendees fill the main event, VIP sponsors enjoy a private setting where real conversations happen, photos are taken, and connections are made that simply can't be replicated in a crowded room. It's one of the most talked-about elements of every SMCC luncheon, and it's exclusively reserved for our top-tier sponsors and guests.

Today's VIP: Mickey Redmond

Mickey Redmond is a Canadian hockey legend whose playing career cemented his place among the most prolific scorers in Detroit Red Wings history. Originally breaking into the NHL with the Montreal Canadiens – winning Stanley Cup championships in 1968 and 1969, he became the first Red Wing ever to score 50 goals in a season, finishing 1972–73 with 52 goals and 93 points, surpassing Gordie Howe's team record, and followed it with 51 goals the next year – making him only the third player in NHL history to record back-to-back 50-goal seasons.

Redmond built an equally distinguished career behind the microphone as the beloved color commentator for Detroit Red Wings telecasts. His wit, warmth, and trademark expressions – known affectionately among fans as "Mickeyisms" – have made him a fixture in Michigan living rooms for decades.

UTICA COMMUNITY SCHOOLS

SUMMER DISCOVERY GRANT

**UTICA
COMMUNITY
SCHOOLS**

**ballmer
GROUP**

The Southeast Michigan Chamber of Commerce is proud to announce a landmark \$12 million distribution from the Summer Discovery Grant program – funded by United Way of Southeastern Michigan and the Ballmer Group – benefiting Utica Community Schools, one of the largest and most vibrant school districts in the state of Michigan. This extraordinary investment will provide free, structured, and enriching summer programming to students across the district, ensuring that every child has access to the resources they need to learn, grow, and thrive. It is one of the most significant educational investments in Southeast Michigan history, and the Southeast Michigan Chamber is proud to have played a role in bringing it to our community.

This announcement builds on the momentum of a similar investment facilitated at our previous luncheon, when Chamber CEO John Johnson helped connect Chesterfield Township and the Anchor Bay School District with the Summer Discovery Grant – resulting in a projected \$1.4 million award that is serving 700 students across Chesterfield Township this summer. That connection was born entirely out of the relationships built within this Chamber, and the \$12 million investment in Utica Community Schools is a powerful continuation of that same story.

This is exactly the kind of impact the Southeast Michigan Chamber of Commerce was built to create. Beyond networking and business development, the Chamber serves as a connector – bringing the right people to the same table and helping turn conversations into action. The Summer Discovery Grant is a testament to what becomes possible when a chamber of commerce takes an active role in the community it serves, and we are incredibly proud to help make it happen – again.

ST. CLAIR COUNTY CHAMBER OF COMMERCE

Big news is spreading across the region,
and the press has taken notice.

Times Herald

**ST CLAIR
COUNTY**
Chamber of Commerce

Sarah LaForge
Ambassador

The Port Huron Times Herald recently published a feature on the Southeast Michigan Chamber of Commerce's newest addition – the St. Clair County Chamber of Commerce. The June 1, 2026 article by Dave DeMille highlights what this expansion means for businesses throughout the region and underscores why St. Clair County was a natural fit for the SMCC family.

The Southeast Michigan Chamber of Commerce has been on a steady growth trajectory for more than a decade. What began in 2015 as the Gratiot Avenue Chamber of Commerce in Macomb County has grown into one of the most expansive business networks in the state. With the addition of St. Clair County, SMCC represents businesses across 57 communities serving a combined population of more than one million Michigan residents.

SMCC President and CEO John Johnson put it simply: *"Every expansion we've made has been driven by one thing – demand."* He described St. Clair County as a "natural next step" for the organization's regional footprint.

St. Clair County members will now have full access to SMCC's robust programming lineup, including:

- Networking luncheons
- Chamber Chat Live! broadcast series
- Chamber Culinary Club
- Business Beat e-newsletter
- Chamber Connect business development
- More than 30 events on the 2026 calendar

The St. Clair County Chamber of Commerce officially launched in April 2026 at our April Networking Luncheon, operating as an affiliate under the same structure as SMCC's other subchambers.

Southeast Michigan Chamber adds St. Clair County subchamber

Dave DeMille Port Huron Times Herald

June 1, 2026, 10:05 a.m. ET

The Southeast Michigan Chamber of Commerce has expanded its regional network with the addition of the St. Clair County Chamber of Commerce, according to a community announcement.

The move adds St. Clair County as the newest subchamber under the Southeast Michigan Chamber of Commerce, commonly known as SMCC, continuing an expansion strategy that the organization traces back more than a decade. The chamber operates as a for-profit, privately held business entity that focuses on business networking, marketing and regional advocacy, according to the announcement.

SMCC's growth began in 2015 with the formation of the Gratiot Avenue Chamber of Commerce in Macomb County. In 2017, the organization rebranded as the Southeast Michigan Chamber of Commerce with the addition of the Warren Center Line Chamber of Commerce. More recent expansions included the Sterling Heights Chamber of Commerce and the Albanian American Cultural Chamber of Commerce in 2025.

With the addition of St. Clair County, the organization reports representing businesses across 57 communities serving a combined population of more than 1 million Michigan residents, according to the announcement.

John Johnson, president and CEO of the Southeast Michigan Chamber of Commerce, said the expansion reflects continued interest from businesses seeking broader regional connections.

"Every expansion we've made has been driven by one thing — demand," Johnson said in a statement provided in the announcement. He described St. Clair County as a "natural next step" for the organization's regional footprint.

RECENT EVENTS

GOLF OUTING

The Annual SMCC Golf Classic returned to Golden Hawk Golf Club in Casco for its third consecutive year — and once again, it did not disappoint. With 149 golfers taking to the course and approximately 200 total attendees on the grounds throughout the day, the event sold out for the third year in a row, cementing its reputation as one of the most anticipated outings on the Chamber's calendar.

The course itself was a highlight, with creatively themed holes keeping golfers entertained from tee to green alongside fan-favorite contests including the \$10,000 Hole-in-One, a vehicle giveaway, Beat the Pro, Longest Drive, and more. One of the most moving moments of the day came courtesy of the St. Clair County Allied Veterans Council Honor Guard, who performed a solemn and stirring 21-gun salute in honor of the veterans the event exists to support. It was a powerful reminder of exactly why the Chamber, its members, and its sponsors show up for this event year after year.

On the charitable giving side, the 2026 Golf Classic surpassed its own benchmark. In each of the first two years, the event raised \$15,000 for its charitable recipients — a number that was already something to be proud of. This year, thanks to the extraordinary generosity of sponsors and attendees alike, the Chamber blew past that milestone, raising more than ever before for Heat for Heroes, the UAW Region 1 Veterans Council, and Neway Works. We are deeply grateful to everyone who played, sponsored, attended, and gave — you made this one for the books.

RIBBON CUTTINGS

ABE'S DRUG STORE - JUNE 11

a.d.s.
ABE'S DRUG STORE

The Southeast Michigan Chamber of Commerce was proud to join Corporate Sponsor member Abe's Drug Store in celebrating the grand opening of their newest Warren location with a ribbon cutting ceremony on June 11, 2026. Held at 13720 E. 12 Mile Road, the event drew a wonderful crowd of community members, business leaders, and special guest Mayor Lori Stone, who joined in the celebration of this exciting new addition to the Warren community. Guests enjoyed lunch, refreshments, and giveaways as Abe's Drug Store – an independently owned pharmacy serving Metro Detroit with locations in Clinton, Eastpointe, Roseville, Southfield, and now Warren – officially opened its doors.

1ST CHOICE URGENT CARE & OCCMED - JUNE 10

1st Choice
URGENT CARE

Held at 3280 Washtenaw Ave. in Ann Arbor, the 3pm celebration marked an exciting expansion for 1st Choice Urgent Care and its affiliated OccMed Connect network, bringing Metro Detroit's only 24-hour urgent care provider & its comprehensive occupational health services to the Ann Arbor community. The new location further extends 1st Choice's mission of delivering accessible, high-quality medical care.

CHAMBER E-COMMERCE PLATFORM

THE CHAMBER IS LAUNCHING ITS OWN E-COMMERCE MARKETPLACE PLATFORM DESIGNED SPECIFICALLY FOR CHAMBER MEMBERS.

The overall user experience, layout, and functionality will feel very similar to Amazon, with a modern marketplace structure that allows businesses to easily showcase and sell products and services online.

KEY FEATURES & FUNCTIONALITY:

MULTI-VENDOR MARKETPLACE

Any Chamber member will be able to create a seller account and list products or services for sale directly on the platform.

MORE EXPOSURE, MORE LEADS & MORE SALES!

EXPANDED ONLINE VISIBILITY

Anyone with internet access will be able to discover businesses, browse listings, and purchase products/services directly through the website.

PRODUCT & SERVICE SALES

Members can sell both physical products and business/professional services through the platform.

DIRECT BUYER COMMUNICATION

Businesses will be able to directly message buyers and potential buyers through the system.

INDIVIDUAL BUSINESS STOREFRONTS

Each member will receive their own dedicated profile/storefront page. This will function similarly to an Amazon seller page while also serving as the member's Chamber directory profile.

BUILT-IN PAYMENT & TRANSACTION PROCESSING

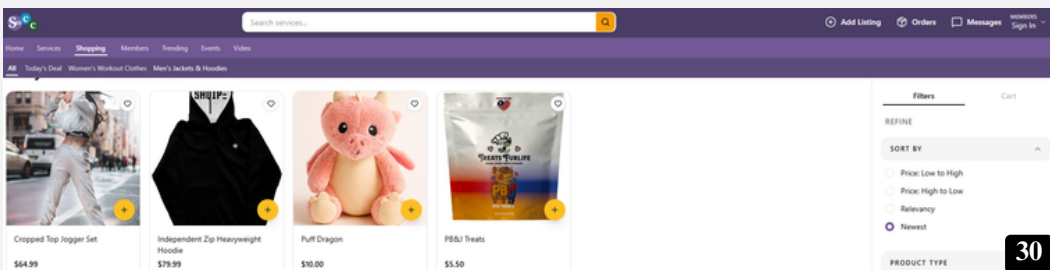

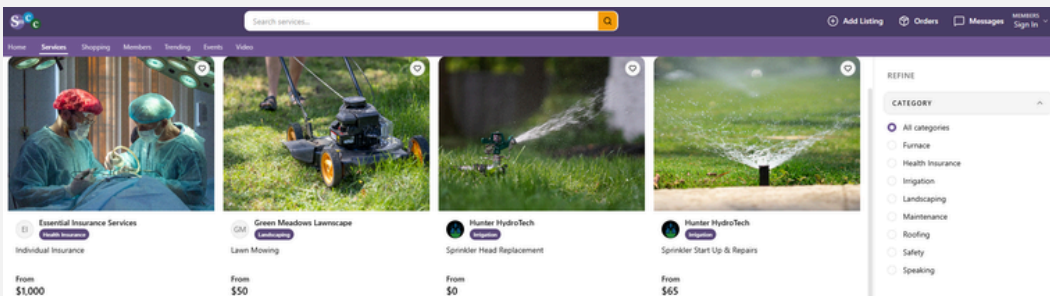

The platform will handle transactions, payment collection, and distribution directly to vendors.

FREE CRM INCLUDED

Participating members will receive access to a built-in CRM platform as part of the backend technology.

ADVERTISING OPPORTUNITIES

Members can run ads and promote products and services within the platform ecosystem.

SMCC & IT'S REACH

The Southeast Michigan Chamber of Commerce (SMCC) is the fastest growing if not the largest membership chamber in the state and there's good reason. Operating as a for-profit, privately held business entity, SMCC is more than just a traditional chamber, it functions as a marketing and networking consortium, providing businesses with unparalleled opportunities for growth while maintaining a strong commitment to community service, education and advocacy. SMCC hangs its hat on being the leading "connector" in the region, helping its members get in front of the connections that they need to grow their business.

Over the past decade, the Chamber has expanded its reach, beginning with the formation of the Gratiot Avenue Chamber of Commerce Macomb in 2015 and later evolving into the Southeast Michigan Chamber of Commerce in 2017 with the addition of the Warren Center Line Chamber of Commerce. In 2025, the Chamber introduced a new expansion with the Sterling Heights Chamber of Commerce, the Albanian American Chamber of Commerce and most recently the establishment of the St. Clair County Chamber of Commerce.

Today, the SMCC represents businesses across 57 communities with a combined population of over 1,000,000 residents, offering networking events, business development programs, and exclusive member benefits. With a proactive approach, the Chamber not only fosters business success but also plays a leading role in regional advocacy. SMCC prides itself in being a leader in the community by taking an active role in supporting the nonprofit community, having contributed nearly \$1,000,000 to community initiatives and non profits since 2019.

The Chamber Connect program is designed to help you get in front of the right decision-makers faster and more effectively.

We take the time to learn your product or service, then leverage our extensive sphere of influence to set qualified meetings on your behalf with leaders in the industries and verticals you serve. We attend these meetings with you to provide a warm handoff, advocacy, and added credibility, ensuring you are connected to the correct internal contact - not stuck at the receptionist or wasting time with the wrong person.

Chamber Connect works as an extension of your sales team, opening doors and helping turn conversations into real opportunities.
